

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE
Transcriber's Office

March 6, 1997 LB 517

SENATOR WILL: Senator Beutler.

SENATOR BEUTLER: Members of Legislature, this bill only has four sections, one of which is a repealer. By amendment we're going to strike Sections 1 and 3, which are not totally agreed upon, which leaves only Section 2 of the bill. And Section 2 of the bill makes a procedural change in the underground petroleum storage tank law, to allow DEQ to process applications for payment in a more logical fashion, and being able to put a limitation on them after a certain period of time. That's all that the bill does. And I would take up the amendment, Mr. Chairman.

SENATOR WILL: Senator Beutler, is there a committee amendment?

SENATOR BEUTLER: No.

SENATOR WILL: I understand there is an amendment on the bill. Mr. Clerk.

ASSISTANT CLERK: Senator Beutler would move to amend with AM0835. (See page 940 of the Legislative Journal.)

SENATOR WILL: Senator Beutler.

SENATOR BEUTLER: Members of the Legislature, that particular amendment strikes Sections 1 and 3 of the bill so it's down to Section 2, as I just described to you.

SENATOR WILL: Seeing no further lights, Senator Beutler, would you like to close on your amendment? Senator Beutler waives closing. The question before the body is the adoption of the Beutler amendment to LB 517. All those in favor vote aye, opposed no. We're voting on the Beutler amendment to LB 517. Have you all voted on the Beutler amendment? Mr. Clerk, please record.

ASSISTANT CLERK: 25 ayes, 0 nays on the adoption of Senator Beutler's amendment.

SENATOR WILL: The Beutler amendment is adopted. Anything further on the bill, Mr. Clerk?
